Dear Ms. Cook, Ms. Lofstrom, and Ms. Huang:

Subj: REQUEST FOR EXTENSION, DRAFT FINAL FEASIBILITY STUDIES FOR OPERABLE
UNIT 2A (OU-2A) AND OPERABLE UNIT 2B (OU-2B), ALAMEDA POINT, ALAMEDA,
CALIFORNIA

On behalf of the Alameda Naval Air Station Federal Facility Agreement parties, the Navy is requesting a 120-day extension on the submittal date for the Draft Final Feasibility Study (FS) for Operable Unit 2A and for the Draft Final FS for Operable Unit 2B. This extension allows the regulatory agencies additional time to review the two documents while there are numerous other documents under their review simultaneously. As you know, the parties have already conceptually agreed to this extension.

The OU-2A and OU-2B Draft Feasibility Study reports were delivered to the agencies for review on September 30 and October 28 respectively. **With this extension, the comment period end dates for the draft FS reports will be March 29 for OU-2A and April 28 for OU-2B.** The Draft Final FS report submittal dates will be May 27 for OU-2A and June 27 for OU-2B. All other future milestones will be extended for 120 days.

If you have any questions or comments, please call Ms. Claudia Richardson at (619) 532-0935 for OU-2A, Mr. Steven Peck at (619) 532-0786 for OU-2B, or me at (619) 532-0907.

Sincerely,

THOMAS L. MACCHIARELLA
BRAC Environmental Coordinator
By direction of the Director
